

FLINTFAST® 3" GALVALUME METAL INSULATION PLATES

Product Information

Description: FlintFast 3" Galvalume Metal Insulation Plates from CertainTeed are engineered to provide top quality performance with commercial roofing systems – designed to increase strength and improve application efficiency. FlintFast 3" Galvalume Metal Insulation Plates are for insulation and base sheet attachment.

Uses: Concave circular design with reinforcing ribs, low profile and 3" diameter ensures proper compression to insulation. Designed for strong, fast application and lasting performance.

Technical Data

Plate is formed from 26 gauge Galvalume steel.
Exceeds Factory Mutual 1-60 and 1-90 wind uplift specifications when properly installed on most insulation boards.

Product Application

Recommended for use with Phillips truss head fasteners.

Packaging

Pieces per Pail	Weight per Pail
1000	37 lbs.
